Property Owner Acknowledgement

I, _____, the owner or authorized owner's agent of the above-referenced property, understand that the installation of a graywater system may be required pursuant to MMWD District Code. The viability for installation of a graywater system for this property has been considered and determined that installation of a graywater system is:

- Feasible** - A graywater system will be installed in compliance with Chapter 16 of the California Plumbing Code. Inspection and approval by the local building department may be required.

Type of Graywater System:

- Laundry to Landscape (L2L)** - Utilizing clothes washer discharge water for landscape irrigation.
- Simple System** - A system with a discharge of 250 gallons per day *or less* . Installation of a district-approved backflow assembly is required.
- Complex System** - A system with a discharge *greater than* 250 gallons. Installation of a district-approved backflow assembly is required.
- Not-Feasible** - A graywater system will not be installed. ***I have attached a statement of facts to substantiate our determination.***
