

## HOT WATER RECIRCULATING SYSTEM REBATE APPLICATION

### OVERVIEW

Marin Water residential and commercial customers with an active potable water service can receive a rebate of up to \$50 for the purchase and installation of hot water recirculating systems, not to exceed actual cost. Hot water recirculating systems help address the water loss experienced when waiting for water to warm-up when running showers and faucets. Rebate is limited to one (1) per household.

### TO APPLY

1. Purchase and install a qualifying hot water recirculating system at the property where potable water service is provided by Marin Water.
2. Submit this application, including a copy of your sales receipt within 90 days of purchase. Receipts will not be returned—please make copies for your records.
3. Include a completed [IRS Form W-9](#) if you will receive more than \$600 in rebates from Marin Water during the tax year.
4. A site inspection may be required. Marin Water will contact you to schedule a site visit, if required.
